

Friends of the Camel Trail

The Friends of the Camel Trail are a small friendly group of people who are passionate about the Trail.

The Friends support the Camel Trail Partnership through fundraising, events organising and awareness building.

Our aims include:

- Communicating our enthusiasm for the trail – news about what's on.... what to see and look out for....
- Promoting/organising events
- Taking care of the trail litter picks.... reporting problems etc.
- Meeting other users and awareness building – an opportunity to socialise with other trail users.

There is a lot you can do, can you help?

The Friends of the Camel Trail are in need of new members and enthusiastic people who would like to pick up key roles to take the group forward.

Please contact Pete Skea to get involved:
