

BODMIN TOWN COUNCIL **REGISTER OF CATERERS**

Catering Facilities are no longer provided in-house and in an effort to help with catering functions the following list has been provided from Caterers who are prepared to offer catering for events in the Shire House Complex.

The Caterers listed under the Bodmin telephone numbers will usually be prepared to cater for events of any size. The Caterers from further away obviously need to have a minimum number of people to ensure that it is worth their while in view of the travelling costs involved.

All caterers have current liability cover and the relevant food and hygiene certificates.

Please note: inclusion on the Register should not be seen to imply any comment by the Council as to the quality of service provided by any caterer, or as preferring any caterer above another.

If you should have any queries, please do not hesitate to discuss this with the Council's staff who will be pleased to explain in more detail. The staff will not be able to give advice on the Caterer – who you use will be of your own choice.
